Lab Module 5
SQL*PLUS Report Formatting

Lab Tasks

Create the SQL code to generate the following reports using the JustLee Books database. Script a separate script for each question. Run the scripts. Submit the scripts and resultant spool files via D2L. Leave SET ECHO ON in the report scripts.

1. CREATE the following report:

```
                    Customer / Title Information
                     Customer Order Evaluation

Book                            Last       First          Book
Title                           Name       Name           Cost
------------------------------ ---------- ---------- ----------
Big Bear And Little Dove        Giana      Tammy         $5.32
                                Nelson     Becca         $5.32
                                Schell     Steve         $5.32
Bodybuild In 10 Minutes A Day   Morales    Bonita       $18.75
Cooking With Mushrooms          Falah      Kenneth      $12.50
                                Girard     Cindy        $12.50
                                Girard     Cindy        $12.50
                                Jones      Kenneth      $12.50
                                Morales    Bonita       $12.50
                                Morales    Bonita       $12.50
                                Pierson    Thomas       $12.50
Database Implementation         Giana      Tammy        $31.40
                                Lee        Jasmine      $31.40
                                Mcgovern   Reese        $31.40
                                Morales    Bonita       $31.40
                                Morales    Bonita       $31.40
                                Smith      Jennifer     $31.40
E-Business The Easy Way         Giana      Tammy        $37.90
                                Smith      Leila        $37.90
Handcranked Computers           Nelson     Becca        $21.80
Holy Grail Of Oracle            Giana      Tammy        $47.25
How To Manage The Manager       Lucas      Jake         $15.40
Painless Child-Rearing          Falah      Kenneth      $48.00
                                Lucas      Jake         $48.00
                                Lucas      Jake         $48.00
                                Nelson     Becca        $48.00
                                Smith      Leila        $48.00
Revenge Of Mickey               Giana      Tammy        $14.20
                                Girard     Cindy        $14.20
                                Montiasa   Greg         $14.20
                                Nelson     Becca        $14.20
Shortest Poems                  Montiasa   Greg         $21.85

                        Internal Use Only
```

2. CREATE the following report (use the traditional join method for the query):

```
                    Author / Title Information
                    Author Book Cost Evaluation

Publisher                     Book                          Book
Name                       ID Title                         Cost
---------------------     --- -------------------------  ----------
American Publishing         3 Database Implementation       $31.40
                            Handcranked Computers           $21.80
                            Holy Grail Of Oracle            $47.25
*********************** ***                             ----------
Total Cost:                                               $100.45

Printing Is Us              1 How To Manage The Manager      $15.40
                            Revenge Of Mickey               $14.20
*********************** ***                             ----------
Total Cost:                                                $29.60

Publish Our Way             2 Building A Car With Tooth      $37.80
                            picks

                            E-Business The Easy Way         $37.90
*********************** ***                             ----------
Total Cost:                                                $75.70

Reading Materials Inc.      4 Bodybuild In 10 Minutes A      $18.75
                            Day

                            Cooking With Mushrooms          $12.50
                            How To Get Faster Pizza         $17.85
                            The Wok Way To Cook             $19.00
*********************** ***                             ----------
Total Cost:                                                $68.10

Reed-N-Rite                 5 Big Bear And Little Dove        $5.32
                            Painless Child-Rearing          $48.00
                            Shortest Poems                  $21.85
